PREFACE

The Office of Institutional Research and Assessment is pleased to present *Select Fall 2022 Tables* in advance of the forthcoming 2022-2023 edition of the *Academic Data Reference Book* (ADRB). This shorter version offers the community reliable and useful fall information related to these four sections: student enrollment, incoming degree students, retention and graduation, and degrees conferred. The full edition will incorporate two more sections: course enrollment and faculty.

Newly developed tables in this publication include Table 3-1C: Retention and Graduation of Entering Full-Time Master's Students and Table 3-7: Time to Doctoral Degree Completion by School/College.

The web version of the ADRB, which includes consecutive historical editions, can be accessed from the OIRA website. Please check this site occasionally for any updates or revisions to this report.

DEFINITIONS

Abroad at AU	Program for students from other countries who want to study at AU for a limited period, usually a year or a semester. Abroad at AU students are nondegree.
Accelerator	AU partnership with Shorelight Education, consisting of Undergraduate Accelerator (pre-bachelor's) and Master's Accelerator (pre-master's) designed for international students, combining English-language support and some for-credit courses which are transferable to an AU degree-seeking program upon successful completion of program requirements. This program started in Fall 2016. Some students enroll in a noncredit Pre-Sessional English program prior to commencing an AU Accelerator program.
Census Date	The day on which AU takes a snapshot of student data to ensure consistent reporting for each semester. The fall and spring census dates are historically at the end of the fifth week of classes for those semesters; this changed in Fall 2019 to the end of the sixth week of classes. The summer census date is July 15. All admission and enrollment reporting in the ADRB is as of the census date.
Cohort/Entering Cohort	A group of students who are new students at the same level in the same term. Cohorts are used for reporting graduation and retention rates. AU offers the following cohort-based living-learning communities for four-year AU bachelor's degree students: Honors, Frederick Douglass Distinguished Scholars, Community-Based Research Scholars, and University College. Cohort-based three-year bachelor's degree programs offered at AU include Global Scholars, Politics, Policy and Law Scholars, and Public Health Scholars. Three additional cohorts reported here are the self-identified first generation college students, invite-only Summer Transition Enrichment Program (STEP) participants, and Pell grant recipients. AU Cornerstone includes Cornerstone DC and Cornerstone UK programs; Cornerstone DC students join the University College (UC) living-learning community.

Collegiate	Launched in Fall 2017, American Collegiate (formerly American Access) is another AU-Shorelight Education partnership program designed for international students. Its nondegree design combines English-language support and some for-credit courses which are transferable to a bachelor's degree program at a partner or affiliated university (including AU, if desired) upon successful completion of program requirements.
Degrees Conferred	The number of degrees (or certificates) granted to students upon completion of their program's requirements, which may exceed the number of students who graduated because students may earn more than one degree (or certificate).
First Generation	First generation status is based upon responses to admissions application questions regarding parents' education. First generation students are students who self-report that no parent has post-secondary education experience.
First-Year	A first-time first-year student admitted to AU who has not previously been enrolled at the undergraduate level at any institution.
Full-Time	Student status that is derived by student term credit hours: undergraduate degree-seeking, nondegree, and certificate students and law students taking 12 or more credit hours; graduate degree-seeking, nondegree and certificate students taking 9 or more credit hours during fall and spring semesters, and 4 or more credit hours during summer sessions. (Full-time is 4 credit hours for graduate students as of summer 2013.)
Full-Time Equivalent (FTE)	An alternative method to headcount for counting student enrollment by which the number of full-time students plus the total student credit hours of part-time students is divided by the minimum number of credits to be considered a full-time student at the same academic level. Thus, students attending full-time or part-time are weighted. (Note: This calculation changed in 2009 so care should be taken when making historical comparisons.)
Full-Time Faculty	An AU employee hired full-time in a faculty position. Full-time faculty can fall into one of several categories including teaching, administrative, library, and research depending upon their primary responsibilities as defined in their contract.

Full-Time Teaching Faculty	Full-time faculty where the majority percentage of their time is to be devoted to teaching, with smaller percentages for scholarly research and service.
Graduation Rate	Students in a cohort as of census of their entering term who have graduated as of a specified number of years.
Headcount	A method of counting student enrollment by which each individual student is counted. Students attending full-time or part-time are counted in the same way. Unless otherwise specified, headcount is unduplicated (meaning each individual student is counted once in their first major and in their highest degree).
International	Students with non-U.S. citizenship who are not permanent residents.
Intersession	Beginning in AY 2021–22 AU added a nonstandard Winter Intersession Term covering a 2-3-week period between the Fall and Spring semesters. Winter Intersession enrollments are captured under the fall semester.
Law	Includes all students in the Washington College of Law, including JD, LLM, SJD, nondegree, and certificate (unless otherwise specified).
Level	An enrolled student's degree level based on their academic program. Students may be classified at the broadest levels of undergraduate (UG) and graduate (GR) or they may be organized more specifically as Bachelor's, Master's, Doctoral, Law, Nondegree and Certificate UG, or Nondegree and Certificate GR. The most detailed classification further delineates the levels by online or MM and lists each of the law degrees by name (Juris Doctor, Master of Laws, Master of Legal Studies, and Doctor of Juridical Science).
Maintaining Matriculation (MM)	One of three enrollment options for graduate students not enrolled in credit course work but utilizing university services which allows graduate students to maintain their enrollment. (The other options are Continuing Enrollment and Doctoral Dissertation enrollment.)
MicroStrategy	One of AU's business intelligence systems used to report AU data.

Noncredit	A credit course is one that, if successfully completed, can be applied toward the number of courses required for achieving a degree, diploma, or other recognized postsecondary credential. A noncredit course has no credit applicable toward a degree, diploma, certificate, or other recognized postsecondary credential. A program is a noncredit program if all classes required for the program do not convey University credit.
Nondegree	Students enrolled in regular university courses who have not been admitted to a degree program or certificate program, but who are enrolled for credit. Unless otherwise noted, excludes law.
Online Course	A course in which instruction is delivered exclusively via web-based interface rather than face-to-face.
Part-Time	Student status that is derived by student term credit hours: undergraduate degree-seeking, nondegree and certificate students and law students taking fewer than 12 credit hours; graduate degree-seeking, nondegree, and certificate students taking fewer than 9 credit hours during fall and spring semesters, and less than 4 credit hours during summer sessions (as of summer 2013).
Retention	Students in a cohort as of census of their entering term who are still enrolled at census at a later term.
Retention Rate	Percent of an entering cohort, defined at census, who are enrolled in a subsequent term at census.
School of Education	The School of Education separated from the College of Arts & Sciences as of July 2019, forming a standalone school.
School of Professional & Extended Studies	The School of Professional & Extended Studies (SPExS) was dissolved as of July 2021. Its programs were primarily realigned under the newly created Office of Global & Immersive Studies (OGIS) and Office of Graduate & Professional Studies (OGPS).

School/College	This is a student’s affiliation based on their primary program of enrollment or a faculty member’s affiliation based on their contract. AU houses seven schools/colleges: College of Arts & Sciences (CAS), Kogod School of Business (KSB), School of International Service (SIS), School of Communication (SOC), School of Education (SOE), School of Public Affairs (SPA), and Washington College of Law (WCL). Students affiliated with a nondegree or noncredit program rather than an AU school/college are categorized under Office of Global & Immersive Studies (OGIS)/Office of Graduate & Professional Studies (OGPS), Accelerator & Collegiate Programs or Study Abroad (Non-AU).
Second Major	The secondary of two or more majors in the pursuit of a single degree.
Student Credit Hours	The sum of the credit hours per student course registration.
Study Abroad (Non-AU)	Program allowing non-AU students to study abroad through an AU-sponsored program.
Term Faculty	Full-time faculty who are not tenured nor on tenure track.
Transfer Student	A student admitted to AU who is transferring credits into their AU program. If the transfer credits are from another institution, the student is an external transfer; otherwise, the student is an internal transfer based on transfer credits from AU.
T-Terms	AU’s 4-term programs used in select Kogod School of Business, School of International Service, and Washington College of Law online graduate programs. T-Term time periods encompass January-March for T1, April-June for T2, July-September for T3, and October-December for T4. The first T-Term at AU was 2019T2. The ADRB reports on T1, T3, and T4 beginning with 2019T3.

*Table represents student counts and credit hours based on enrollment for credit. Excludes 806 noncredit students (22 in SOE, 692 in SPA, 3 in WCL, and 89 in OGIS/OGPS), 23 AU pre-session English and ELTA students, 19 consortium students (62 credits), 29 alumni students, and 3 community students.

**Student credit hours and FTE are rounded to the nearest whole number which may affect some totals. Credit hours are those taken by students, not those taught by units.

***Master's, doctoral, nondegree and certificate level totals exclude law programs at the master's, doctoral, nondegree and certificate levels.

AU students studying abroad are included in their appropriate school.

School/College counts depict total number of unique students. When a student is pursuing dual degrees, they will appear in the count for the primary degree and school so that school and degree totals reflect that student only once (unduplicated). Student enrollment load reflects the sum of all credit hours for any student with concurrent enrollment in Fall and T4 academic terms.

Enrollment as of Census Date October 8, 2022. Fall 2022 includes 2022T4.

*This is a joint program with another school/college or department. Please look at enrollments in other schools or departments to get a full understanding of enrollment in this major.

School/College counts depict total number of unique students. When a student is pursuing dual majors, they will appear in the count for the primary major and school so that school and major totals reflect that student only once (unduplicated).

Student class standing is determined by the total number of credits earned, not entering academic term. First-year standing is less than 30 credit hours; sophomore standing is 30-59 credit hours; junior standing is 60-89 credit hours; senior standing is 90 credit hours or above. Credits in progress are not included.

Enrollment as of Census Date October 8, 2022. Fall 2022 includes 2022T4.

Degree level counts depict total number of unique students. When a student is pursuing dual degrees, they will appear in the count for the primary degree so that degree level totals reflect that student only once (unduplicated). Student enrollment load reflects the sum of all credit hours for any student with concurrent enrollment in Fall and T4 academic terms. Only categories with data are included in this table. Enrollment as of Census Date October 8, 2022. Fall 2022 includes 2022T4.
