

### Principal Investigator Award Acknowledgment Form

As the Principal Investigator named in the attached award document, I have been made aware of my responsibilities as outlined in the American University Principal Investigator’s handbook available at <http://www.american.edu/provost/osp/upload/PI-Handbook-October-2014.pdf>.

I understand that I have the ultimate technical responsibility for the ethical scientific conduct and reporting of the proposed project. I accept responsibility for compliance with all applicable regulations, laws, policies, and financial oversight requirements of the sponsor and American University.

Furthermore, I have read and understand the sponsor’s terms and conditions as provided to me in the attached document and in addition fully understand any specific award requirements relating to:

- Cost Sharing
- Foreign Currency
- Technical Reporting
- Use of Space
- Intellectual Property
- Unusual Budget Restrictions
- Subrecipient Monitoring

Acknowledge your understanding of the award terms and conditions by signing below. Any inadvertent failure or error to check a box or boxes immediately above does not render this form and the signature below to be invalid.
