

NON STANDARD FINAL EXAM SCHEDULE FALL 2015

The following is a list of classes that do not follow the standard final exam schedule. Most Saturday classes will hold exams during the regular time periods. Please confirm with your instructor about the location and date of your exam. Classes with "SEE DEPT" have been assigned a classroom by the department, please confirm the location with your instructor. **Classes whose regularly scheduled class meeting time is in a computer lab need to schedule with [Anderson Computing Complex](#) during the class's final exam period.**

If any classes have been omitted from this list, please contact Classroom Scheduling immediately with an email to classroom_scheduling@american.edu.

Schedule Updated as of December 4, 2015.
