

Suggestions for School Counselors

1. **Persist** on the side of EQUITY vs. equality
2. **Be informed**, stay informed, inform each other
3. **Collaborate** with your school team and partners for early messaging, acknowledge the rulings
4. **Give agency** to students, use broaching, avoid leaning into trauma narrative, white saviorism
5. **Advocate** for more everything for marginalized groups in all spaces, include partners in the process
