This email serves as a correction to the message sent today (2/10) at noon regarding the Housing Selection dates. Please refer to the updated details below.

Hi KAILEY

Housing Reapplication is **now open**! It's time to apply! You'll receive a confirmation email when the application is complete.

Follow the steps below to get started:

1. Go to the [AU Housing Portal](#).
2. Sign the updated Housing License Agreement (HLA) for the 2025 - 2026 academic year.
3. Complete the Roommate Profile & begin Roommate Matching

Once that's complete, the first part of your Housing Reapplication is done! Then, in March, you will be able to select your room based on your classification and a time slot assigned to you in your Housing Portal (dates below).

Housing Selection

You can view your specific time slot on the **Application Status** page in the

Housing Application. Hall placements for each community will be updated on the Reapplication webpage shortly. New for 2025-2026: sophomore and upperclass students will be able to select from a number of doubles-as-singles throughout campus, check out our website for more details!

Selection periods:

- **March 19-21:** Sophomore time slots begin between 10 a.m.-4 p.m.
- **March 22-23:** Selection open. No new time slots begin over the weekend
- **March 24-26:** Upper division time slots begin between 10 a.m.-4 p.m.

On-Campus Housing Perks

In anticipation of your return to on-campus housing and as a token of appreciation from HRL and Dining Services, we are excited to announce two special incentives* for the upcoming reapplication season.

- Returning students who complete their housing reapplication by **February 23, 2025** will receive a **\$100 promotional account** to be used at on-campus venues. Those who complete their reapplication between **February 24 and March 9, 2025** will receive a **\$50 promotional account!**
- Additionally, all returning students living on the main campus will receive **\$35 in laundry credit** (equivalent to 10 loads) their first semester living on campus, while returning students in the Frequency Apartments will receive **\$35 in mobile ordering credit** for ordering from campus locations!

**To receive either promotional offer, returning residents must successfully select a room space during room selection and check in to their assigned room space. Credit will be applied once you have moved into your housing assignment for the Fall 2025 semester. The \$100 and \$50 promotional accounts will expire at the end of that semester.*

We'll share more information viemail as we approach Room Selection. You can always find more details on our [Reapplication webpage](#). You can also register for our [Housing Selection Webinar](#) on February 25th at 7 PM to ask questions about the process.
