Hi Aaron

Housing Reapplication is now open! It's time to apply! You'll receive a confirmation email when the application is complete.

Follow the steps below to get started:

1. Go to your AU Housing Portal.
    2. Sign the updated Housing License Agreement (HLA) for the 2024 - 2025 academic year.
3. Complete your Roommate Profile.

Once that's complete, the first part of your Housing Reapplication is done! On February 15th, Roommate Matching will open, and you will be able to select your roommate(s). Then, in March, you will be able to select your room based on your classification and a time slot assigned to you in your Housing Portal (dates below).

You can view your specific timeslot on the Application Status page in the Housing Application.

- March 20-22: Sophomore time slots begin between 10am-4:30pm

- March 23-24: Selection open. No new time slots begin over the weekend
- March 25-28: Upperclass time slots begin between 10am-4:30pm

We'll share more information in email as we approach Room Selection. You can always find more details on our Reapplication webpage.

Follow us on social media to stay updated with important info, dates, and events.
